**KLEIN COLLINS FFA
BOOSTER CLUB
PRESENTS:**

THE 8TH ANNUAL PASTURE POOL
CLASSIC

**GOLF
TOURNAMENT**

BENEFITING

KLEIN COLLINS HS
AGRICULTURE STUDENTS

October 23
2009

6235 PINE LAKES BLVD
SPRING TX 77379

We are a non-profit organization that is focused on supporting the Klein Collins High School FFA students. The club members are volunteers who offer their time & resources to help fund FFA chapter activities.

Our funding provides:

- Scholarships
- Travel Expense Subsidies
- Farm Equipment & Materials

FFA IS MUCH MORE THAN JUST COWS, CHICKENS, & CORN!!!

The FFA program is an all-encompassing educational experience that covers from the business to the technology behind agriculture. FFA students are prepared for premier leadership and aspire to be the best professionals in their field. These are just a few of the studies our students are involved in:

- Agricultural Sciences
- Marketing & Business
- Environmental & Natural Resources
- Veterinary Science & Medicine
- Food Technology & Production
- Agricultural Mechanics
- Land & Wildlife Management
- Horticulture
- Leadership Development

It is also more than studying books & taking tests. FFA students APPLY what they learn in the projects that they develop & compete with at shows. Projects provide students hands-on experience where they apply what they learn in the classroom to real-world agricultural development. This is hard work over and above the regular school day, but FFA students understand that hard work is required to be successful in the real world.

Contact us today to learn more about how you can continue to support our FFA chapter. Our biggest event of the year is the annual Klein ISD FFA project show in early spring, so be sure join us there too.
